

ARTIST PBB01 PEDAL BATTERY BANK

Thank you for purchasing the Artist PBB01 Pedal Battery Bank! To use this product properly and safely, please read the manual carefully before operating.

The Artist PBB01 is a multi-output, rechargeable pedal power bank. With 7 DC outputs as well as 1 USB output, this power bank can power 7 pedals simultaneously. The 5W USB output enables you to charge your phone, tablet, or other devices at the same time! The PBB01 is perfect for anyone who wants a portable power supply for their pedals.

IMPORTANT SAFETY INSTRUCTIONS

- Read these Instructions.
- Keep this instruction manual.
- Only use within the specified voltage and current range.
